From the Desk of the Yearbook Staff

Welcome to the 2011 Georgetown High School Super Yearbook! The theme this year is comic book, and therefore contains super students, faster-than-a-speeding-bullet athletes, courageous clubs, and save-the-day faculty. Most importantly are the many superheroes that made this yearbook possible, especially our fantastic yearbook adviser, Mrs. Dodge. Without her help this yearbook could not have been anywhere near as good as at it came out this year. We hope you will enjoy this epic adventure through the 2010-2011 school year at the educational headquarters known as Georgetown High School!

Sincerely,

The SUPER Seniors of Yearbook Club Dan Shores, Meghan Harney, Brian Cronin, Casey Curtin

As our SUPER yearbook seniors mentioned, the 2010-2011 yearbook has a comic book theme. While discussing the cover, we all agreed that a royals lancer should be portrayed as a superhero in order to truly kick off the theme. The idea of holding a cover design contest was also suggested. Soon, a flier was sent out asking students to create a lancer superhero that could be displayed prominently on the cover. Lauren Patrie's design was chosen and brought to life against a background designed by Dan Shores. Jacquelyn Claveau, Rebecca LaPlaca, and Justine Garlepy submitted wonderful designs shown below as well. Overall, we feel that this year's yearbook is a major success. We would like to thank everyone for their contributions and helping to put this all together. We would especially like to thank Mrs. Dodge for her dedication and hard work.

Mrs. Dodge: you are truly one of the best mentors and we are lucky to have had you as our adviser.

Your editors,

Lauren Flot, Shannon Killian, & Casey Marion

From the Desk of the Yearbook Advisor

I would like to thank everyone who lent a helping hand to produce this yearbook. Many individuals helped in different ways and I am grateful for every little bit.

Thank you Brian Cronin and Brandi Melvin for fabulous photography,

Dan Shores for amazing graphic art and design,

Meghan Harney, Casey Curtin, Lea Anne Waybright, Erik Augustine, Audrey D'Zmura & Lydia Richards for colorful collages.

It takes a ginormous amount of time, energy, effort and creativity to produce this publication. One year on a yearbook staff is enough for most students but Juniors Lauren Flot, Casey Marion and Shannon Killian are third year veterans.

Their unwavering dedication earned them the Editor's role and they will return as Editors next year. **Thank you! Thank You! Thank You!**

A special **Thank you** goes to Mr. Marek Nowak for his professional photography of school events and sports.

Just in case I was unclear...Thank you yearbook staff. **Mrs. Dodge**

Class of 2011

Georgetown High School

Dear Seniors,

Although it may sound trite, this year has really flown by! We are so proud of each of you for all that you have accomplished. The Class of 2011 is a truly talented and well-rounded class. Each of you brings so much to the table, and we are thoroughly impressed by you. The Class of 2011 has demonstrated musical skills, acting talent, athletic abilities, academic achievements, dedication to community service, and a commitment to excellence. We know that all of your skills, talents, and hard work will take you far in life. We hope that you understand the significance of all that you have done. As your class advisors, we are very proud of all of you for your involvement, spirit, and pride.

Senior year is a special and memorable time. Spirit Week, Pep Rally, Homecoming, Powderpuff, Dodgeball, Prom, and many other events have each played a special role in making the 2010-2011 school year one of the best ones yet! We appreciate your involvement and hard work with fundraising and the assistance you provided to your class officers.

Many of you will travel far away from Georgetown and create new memories in a different place. However, it is important to always remember where you came from. Whether you can't wait to leave, or you are excited to stay, your time here has helped shape who you are today, as well as who you will become. A wise friend once told us, "Remember the past. Embrace the future."

We are so proud of you and all of your accomplishments. We wish you the best in all of your endeavors and look forward to hearing about all of your achievements!

Love,

Ms. Bowering and Mrs. Grieb

Well, the year that everyone has been waiting for has finally arrived. And although I'm excited to enter a new stage in life I'm reluctant to leave this one. I wish the best luck to everyone and I hope you all find what you're looking for.

"...now we can say tomorrow's Friday!" I don't know how many times my friends and I said that throughout our four years of high school. There are so many good times, I'm not even going to try and list them all. It seems like just yesterday when I was in middle school, the seniors were so much older. I definitely don't feel like that at all. The years just flew by. I want to make a shout out to my friends for being there through it all. I love you guys and I wouldn't have made it without all of you:

High school has been a very interesting experience. Making friends, worrying about classes and surviving the social barriers that block us from our true potential is truly what high school has been for me. A lot has happened this year including my decision to become a father, which I feel very passionate about. I know I'm younger than other fathers but I have the confidence to persevere. I love you Sophia Grace.

I wanna thank Joe Campbell, Ricky C. and Matt Norloff for all the good times and memories. Its been real bros.

Thanks Mom and Dad for making high school fun and memorable for me. I have so many fun memories with you guys. Dave, through the good and bad times, you made high school fun and interesting for me. You one of the most special people in my life. Shann, you made my last two years of high school memorable. I'll always remember and I'll never forget you. My friends also made my years unreal. Cumbie's runs, bumpin beats, basement nights, causing trouble, and hanging with you guys has been too real. I'm gonna miss all of my baseball and hockey teammates as well. You guys will always be family. I hope that our friendships last a lifetime and I wish you the best.

The great thing about Georgetown is that we've been going to school with mostly the same people for the past 12 years. See the dead ain't tourin'
And this wasn't all in my head.
See they took me by the hand,
And invited me right in,
Then they showed me something,
I don't even know where to begin.

PUSH THE ENVELOPE WATCH IT BEND

Michael Watson

I love looking back through all the years of school and thinking of how far I've come. I like to think that I've never forgotten who I am, but I do know that I've changed so much as a person. I'm very greatful to all the to all the wonderful people in my life who have kept me on track. And all the people who occasionally pulled me off.

Thanks Mom and Dad for all you do and who you are. If I want to do anything in life, it's going to be to make you proud. Sam and the whole Gish family. Words can't express all the things you have given me. You have always been there without question and I am proud to call you all my friends. Even family. Everyone else I didn't name, just as much for you. I love you all. And I hope that I can be just as good of an example as you have been to me

Mom & Dad

Thank you, **Mom**. Thank you, **Dad**. For all your love and your support a million words would be too short. The words "**I Love You**" seem too few to express the love I have for you. We did it together and I can't express how much that means to me. I'm thankful for you both and for being a BIG part of my life. **I LOVE YOU** & I will **FOREVER** be

Daddy's Girl

& Her Momma's World <3.

Butterflies

Thank you for watching over me and making me stronger. You both were the greatest! I'll never forget you cause your special.

Thanks to you beautiful ladies (**lol**), I'm actually getting my diploma. I know I don't always show it, but I do appreciate how much the both of you have helped me and given me all of the things that have gotten me here. While most teachers would of given up. I thank you for being the best. I will **MISS** you **BOTH**!

Congratulations class of 2011

Mom & Dad, you both have been my motivators and have inspired me to do the best i can. Thank you for everything, I love you guys

Matt, you have been the best brother a sister could ever ask for. Love you little bro!

Shell, best friends since kindergarten, second sister, you're always there for me. Thanks for everything, Love you.

To my friends, these past few years of high school would have been nothing without you guys. To all my friends I appreciate everything you guys have brought to my life. I don't know what i would do with out all of you.

KR- You're my absolute hero, keep smiling.

-Confucius

If I've learned anything in the last four years it's to live like everyday like it's your last. Take chances, step outside your comfort zone and never look back. Time goes by all to fast, so don't waste these moments. **Mom and Dad**,

without your endless love and support I wouldn't be where I am today. Thank you for always believing in me, I love you to the sky and back. **Sissy**, you taught me all I know. Thanks for being my best friend. **To my girls**, you're the reason I made it through high school. Thanks for being there for me through everything, love you!

Dad, Mom, & Liz

You three ore truly the most importont people in my life. I know I moy be o little much ot times, but just think, how boring would our family be without me! I love you all so much, and con never thank you enough for all that you hove done for me. "You roise me up, so I con stand on mountoins; You roise me up, to wolk on stormy seas; I om strong, when I om on your shoulders; You roise me up... To more thon I con be".

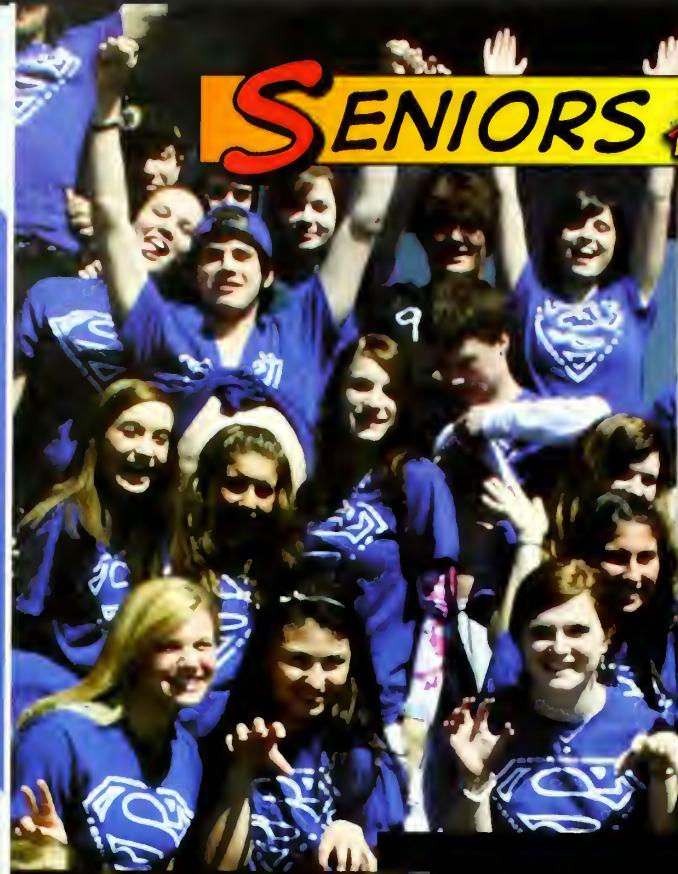

To My Friends

I honestly don't know what I would have done without you guys. You have been there for me through it all, and I would just like to thank you for that. Through thick and thin, you have always stood by me. I believe that my girl Miley can sum it up best, "I'm so thankful for the moments, so glad I got to know you. The times that we had I'll keep like a photograph and hold you in my heart forever. I'll always remember you."

To the class of 2011

"May good luck be your friend in whatever you do, and may trouble be always a stranger to you"

DUNKING MACHINE

A FULL RECOVERY

Just a year after returning from a long hiatus with an album that some found off the mark, rap artist Eminem released *Recovery*. The record put him back in the spotlight, with the song "Not Afraid" and 10 Grammy nominations, more than any other musician.

A LEGAL MESS

Lindsay Lohan probably wished she could re-do the year. The troubled actress spent time in jail after a judge determined she violated her probation on DUI charges. Then it was off to a rehab facility after failing a drug test.

NEARLY UNSTOPPABLE

The Connecticut women's basketball team kept on winning. The Huskies hit 89 straight wins before their three-year streak was snapped in December by Stanford. The string of victories broke the college basketball record for consecutive wins.

THE DECISION

NBA superstar LeBron James infamously announced his intentions to leave his hometown team, the Cleveland Cavaliers, and sign a free-agent deal with the Miami Heat on an ESPN special called *The Decision*. The program drew high TV ratings, with wildly different reactions from fans.

SING IT!

The world of high school show choir never had it so good. *Glee* continued to be one of the most popular shows on TV, earning praise from its army of "Gleeks." Songs from each episode also quickly became some of the most downloaded songs on iTunes.

NO TEXTS BEHIND THE WHEEL

More states began to outlaw text messaging while driving. By the end of 2010, the act was prohibited in 23 states. Other states were considering texting laws targeting drivers under 18. Some studies showed texting while driving to be potentially as dangerous as drunk driving.

THE LEGEND OF LANDON

When Landon Donovan knocked home the winning goal in the waning seconds against Algeria in the 2010 World Cup, the U.S. soccer team dramatically won its Group. TIME TO RETIRE?

At 41, Brett Favre returned for one more season with the Minnesota Vikings. It was a rough go for the aging star, as the Vikings season crumbled and Favre was knocked out with a shoulder injury that ended his consecutive games streak at 297.

THIS EAGLE SOARS

Auburn quarterback Cam Newton won the Heisman Trophy and led Auburn to the BCS national championship during a dazzling season, even while he endured allegations his father "shopped" him to colleges for money when he was a junior college player. Newton said he knew nothing about it, and the NCAA found no evidence of wrongdoing.

RETURN TO TITELTOWN

Quarterback Aaron Rodgers led the Green Bay Packers to a 31-25 victory over the Pittsburgh Steelers in Super Bowl XLV, matching up two of the NFL's traditional franchises. Rodgers threw for 303 yards and three touchdowns in the game that drew more than 110 million viewers, making it the most-watched TV program in U.S. history.

FORE!

If it could go wrong this year for Tiger Woods, chances are it did, just like this errant shot at the Ryder Cup. DREAMS DASHED

Illegal immigration remained a hot topic. In December, Congress did not pass the Development, Relief and Education for Alien Minors Act – the DREAM Act – which would have given college students who were illegal immigrants a way to become U.S. citizens.
